

2025 PARKING INFORMATION

You will find a **HANG TAG** in your welcome packet based on the information you gave us via ZAPP or email. This hang tag is required for access to the parking lot adjacent to the park and **MUST BE DISPLAYED** on your vehicle's rearview mirror at all times. If you did not reply to our email requests for vehicle type, you were assigned a standard parking pass.

If you are towing an attachment, which you will be un-attaching, please place the bumper sticker included in your packet on your attached vehicle.

SPACES ARE NOT RESERVED; THE PARKING LOT IS. The entrance to the parking lot is on North Shore Drive NE at 9th Avenue NE (near the North Shore Aquatic Complex). Officials at the entrance to the parking area will direct you to the correct parking area according to your type of vehicle. You may remain in your space around the clock Friday through Sunday evening.
